## HISTORIA. THE PAST BECOMES PRESENT.

A journey through the centuries, to make alive the memory of the past. The *Historia* line is inspired by the lively and intense historical past that characterized the territory of Moletto between the seventeenth and early years of the twentieth century. A long era in which personalities of great importance and creativity have distinguished themselves. To them the *Historia* line is dedicated.

Innovative wines with character and great organoleptic impact. They are characterized by great freshness, body and structure to fully satisfy the senses. Stand out the floral aromas of the whites, the fruity of the reds, accompanied by finesse and power that honor the character of those who inspired them.
